

ARTIST CUBES INFORMATION

THE BLOCKS is launching a new opportunity for local artists to showcase their work. These cubes can be used in a variety of ways - live painting, displaying artwork, etc. For more information on how to apply or to host one of the cubes, please contact Cassandra Yerkes at cassandra@downtownslc.org.

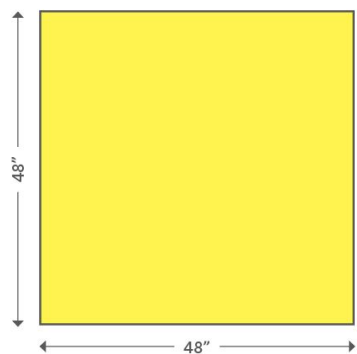

8 FOOT CUBES

One side of the cube is made of two 4'x8' panels of Compbond aluminum composite panel, creating a seam in the middle of each side.

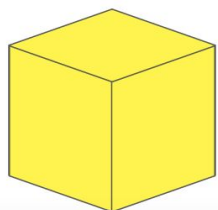

There are a total of (4) 64 sq ft surfaces for activation.

4 FOOT CUBES

One side of the cube is made of a 4'x4' panel of Compbond aluminum composite panel. This size offers the option of activating the top.

There are a total of (4) 16 sq ft surfaces for activation.
